

Here at UKA we take your privacy seriously and will only use your personal information to administer your karate License and to provide you with the services and products you have requested from us.

However, at times we would like to contact you with details regarding our events such as gradings, competitions, courses and important license information. If you consent to us contacting you please sign up to club right and accept our consent to send you emails and texts about UKA.

You can sign up to our club right management system by using the following link

<https://www.clubright.co.uk/c/officialuka>

We do not pass data onto any other companies as part of our services and will not share your data with any other organisation.

Your data is used solely to improve the services at UKA and run the club as organised as possible with clear communication from our Club to student and parents alike.
